

To Whom It May Concern:

I'm a user of XM Satellite Radio and use there service on a regular day to day basis. I feel House Bill HR-4026 thats in the Congress infringes on my 1st Amendment rights as a subscriber.

I want you to to reject NAB's Petition 04-160. We the consumers have the right to get our information via Satellite Radio if we so desire.

Respectfully Yours,

Wade Prater
